HALF A DAY SUMMER TRAINING SESSION :

Do you know why our cicadas in Provence region sing during all summer long ?

You will find out during your course in Université du Vin in Suze la Rousse among many other findings in our local products. During tasting courses, you will improve your knowledge concerning our « produits du terroir » (local products) according to tasting methodology.

- Among those local products you will appreciate the secrets of mediterranean diet

- You will find out how our sense of tasting works.

Public concerned : Fan consumers and children approved with their parents

Hours : 2.30 pm – 5. pm

Cost : 45 €person and 10 €child (10/18 years old).
